INFORMATION DISCLOSURE STATEMENT

Mail Stop Patent Application
Commissioner for Patents
Post Office Box 1450
Alexandria, Virginia 22312-1450

Transmitted herewith are Forms PTO/SB/08A and PTO/SB/08B listing documents provided with this Information Disclosure Statement that may be relevant to the subject application. It is respectfully requested that these documents be considered by the Examiner and an initialed copy of the form be returned to the undersigned. It is believed that this disclosure complies with the requirements of 37 CFR §§ 1.56, 1.97 and 1.98 and the MPEP § 609. If for some reason the Examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

Submission of these documents is consistent with the broadest interpretation of the duty of disclosure. In accordance with the rule for patent prosecution, such a submission is not to be construed as an admission that the information cited in the Information Disclosure Statement is, or is considered to be, material to patentability as defined in §1.56. Applicant respectfully reserves the right to challenge a conclusion that any of the submitted material represents information constituting prior art to the present application or that the information that applicant has located would be of the type used by one of ordinary skill in the art in solving the problems addressed in the present application. The submission of these materials is consistent with the duty of disclosure and should not be interpreted as an indication that applicant has made a prior art search such that the Examiner should not undertake to conduct an independent prior art search.

For the convenience of the Examiner, Applicants have provided a copy of an Operating and Service Manual for a prior art rotary coin mechanism. Applicants will make the prior art mechanism available to the Examiner if this would assist the Examiner in evaluating the present application.

Dated: June 24, 2003

Respectfully submitted,
